

Hello All,

By now you should be aware that our annual Naturescapes Contest is well underway. The deadline for submitting up to 8 images is quickly approaching. June 26 is the deadline.

In addition, **each Paid member** can be part of our Companion Show which hangs at the same time as the Naturescapes Show. For a bit of fun this year, we have decided the theme will be "**Companions.**" There is no entry fee, and everyone who submits will be guaranteed at least one photo to be included. The same exhibition requirements for Naturescapes will apply to this show...matted and framed, or canvas or metal are acceptable. (See details in previous link).

To submit: **Send at least 2 and no more than 4 images** to be considered for this show. Please resize to 2000 pixels on the long side. Rename your image as follows: 1Firstname_Lastname.jpg, 2Firstname_Lastname.jpg, etc. In the body of the email, please let me know the title of each that coordinates to the image number, and a sales price (you are not required to sell your work). In the event that your photo sells, there is a 20% commission which goes to the San Marcos Arts Council, a co-sponsor of the show.

Also, let me know how many you would be willing to hang.

Send to : hcphotoclub@gmail.com Put Companion in the Subject line.

If you want to participate, and have not paid dues this year, you may do so using [PayPal](#) or sending a check to Winifred Simon at 600 Red Hawk Rd., Wimberley, TX 78676...as soon as possible.

Deadline for submitting to the Companion show is July 10.

Good luck and let's have a great show!

Carol Serur
